Mr. and Mrs. Samuel Koser attended the marriage of Miss Maude Belcher to Frank Gale Ertchard, which took place in Portland Thursday evening, May 17, at the bride's home, only relatives and intimate friends attending.

Rev. Mr. Shank read the service.

The bride and bridegroom were unattended. Mrs. Ertchard was a lovely picture in her wedding dress of ivory tulle, lace and ribbon, with a Spanish lace. She carried a handsome bouquet of orchids and white sweet peas. The rooms were redolent with the fragrance of roses. The pink Testouts and tiny Cecil Brunner were used in charming effect. Following the wedding the guests were seated to supper at a table artistically decked with clusters of the pink and yellow snap dragons.

Mrs. Pritchard is the daughter of Mrs. Barbara A. Belcher and a sister of J. William Belcher of Portland. Mr. Pritchard is the son of Mrs. Jennie C. Pritchard. Both bride and bridegroom are well known in the state's musical circles and they have hosts of friends. The guests were: Mrs. Jennie C. Pritchard, Mrs. Frank L. ## PRIZES ARE AWARDED IN "SPELLIN' BEE"

Contest Held in Salem High School Saturday Afternoon Show Excellent Results in Orthography.

The spellers of the Woodburn schools won nine of the 14 prizes offered in the spelling contests which were held Saturday in the Salem High school building. In the written contests it was found that there were so many perfect papers that the board of examiners was unable to make any decisions and all who secured 100 per cent were allowed to enter the oral contest and the prizes were awarded in the final contest.

There were about 200 pupils of the county schools from the fourth to the grades inclusive and about one half of this number came from Woodburn. Nearly all of the other schools of the county who had pupils that averaged 100 per cent in previous contests were represented and Superintendent Smith expressed himself as well pleased at the showing made. He also expressed the opinion that the spelling contests had materially increased the average of all of the pupils in orthography.

The prizes were awarded as follows: Eighth Grade—First, Dorothy Schramm of Woodburn; second, Marie McGuire of Woodburn.

Seventh Grade—First, Harold Johnson of Woodburn; second, Edward Bunning of St. Paul; third, Vera Christie of Woodburn.

Sixth Grade—First, Elmer Hughes of St. Paul; second, Vera Brown, of Woodburn; third, Nellie Gibbons of Woodburn.

In the fifth grade all of the places were won by pupils of Miss Lizzie Fikan's room of the Woodburn Schools and the award was made to the room as a whole.

Fourth Grade—First, Elynn Parker of Turner; second, Bernard Bretano of St. Paul; third, Staffin Masser of Shaw.

"I'm strong for a little ragging occasionally myself," McKeely announced, "but for the sake of the fellow next door who may have to get up before noon and go to work, we'll limit the hours."

## POLICE FIND NO CLUE TO SENDER OF MACHINE

Portland, Or., May 25.—Police today found no clue to indicate who sent Mrs. Henry Wolf an infernal machine, which exploded in her hands Saturday after she had received it by parcel post. The mechanism was enclosed in a box, with a fuse attached to the lid. When Mrs. Wolf slipped off the lid the fuse ignited and burned her wrist, but was pulled from the real explosive so no more serious damage was done. ## ENDURANCE RIDERS FINISH IN RAIN

Roseburg, Or., May 24.—Rain Friday afternoon is all that kept the endurance riders of the Portland Motorcycle club from making a perfect finish at Roseburg. As it was two teams, the Dayton and Harley-Davidson, finished perfect, while the Indian and Merkel teams came into the Roseburg control a few minutes late because of the mud encountered between Drain and Roseburg. One member of the Merkel team was forced to drop out of the race at Independence.

The riders report an excellent trip and all of the teams were able to maintain the 24 mile an hour schedule as far as Eugene. From Eugene to Roseburg the schedule called for a speed of 20 miles an hour. The Dayton team was leading, with the Harley-Davidson close behind, and so did not encounter the rain and mud until they neared Sutherlin. They were able to make Roseburg before the mud became very bad. The Indian and Merkel teams coming later, encountered the rain and muddy roads near Drain and by the time they were able to reach Roseburg the roads had become heavy and caused them to lose several minutes.

A few hours' sunshine will put the roads in good condition again and it is expected the boys will make some good scores on their return trip Sunday.

All of the riders came into Roseburg in a downpour of rain.

## AVIATOR IS 'OST.

London, May 25.—A French and British ships were raising the channel today in quest of Gustave Hamel, the English aviator, who started at 8:25 o'clock Saturday morning to fly from Le Crotoy, France, to Hendon, England, a distance of about 100 miles, and has not since been seen or heard from. He was practically given up for lost.

## DALLAS WOMAN HONORED.

Dallas, Or., May 24.—Mrs. Ora Cooper of this city was elected secretary of the Rebekah Assembly of Oregon for the eighteenth time at the annual grand lodge session held at McMinnville this week. The meeting is declared to have been one of the most successful in the history of the order in this state.

"How dare you take my dog?" he said.

## Daddy's Bedtime Story

The Dog's Master Won The Case.

THE stories about dogs always delighted Evelyn, and daddy knew she would be pleased when he said:

"I have a story to tell you tonight about a dog."

"Hurrah!" said Evelyn, and Jack looked just as pleased too.

"There was once a man who had a little dog to which he was very devoted. Now, this dog was very cunning and had such a pretty face that every one noticed him. People passing by the master and his dog would say:

"Did you ever see such a dear little dog?"

"But, alas, one day some one who thought he was a very good looking little dog and that he would not doubt bring a good price stole him."

"The master was heartbroken. He looked everywhere for his little dog" and put advertisements in the papers with a very clear description of just what his dog looked like.

"Two days had passed when he saw his dog on the street, being taken out of a very disagreeable looking man to a dog shop."

"With a bound the dog wrenched himself from the leash and jumped up on his master with the delight that only a dog can show."

"The master petted him and took him up in his arms, and the dog nestled down so happily."

"How dare you take my dog?" said the disagreeable looking man.

"It seems to me as if it were my dog, doesn't it?" asked the dog's master.

"Well, it's not. You probably showed the dog a piece of bone, for you will admit you would like to own such a fine looking dog. That was a very clever trick of yours, but it won't do. I shall go to the judge about this."

"Do," said the master, who wasn't a bit frightened, now that he safely had his little dog in his arms.

"Together they went to the courthouse. There they waited until the judge could hear their case."

"The disagreeable man talked better than the master, but the judge was wise, and he knew how to decide the matter."

"It will be proved," said he, "who owns the dog by the dog himself."

"All this time the judge had been holding the dog on the end of his leash."

"He patted the dog and said, 'Now you tell us who is your master.' With that he let go of the dog."

"Just at that moment the disagreeable looking man pulled an old bone out of his pocket and held it toward the dog."

"But the dog never so much as sniffed at it, for with a bound he had jumped up on his real master, and the judge said:

"The dog has decided the case for me. Now you may all go."

## GRANGE OPPOSED TO EIGHT HOUR LAW

Indorses Resolution Proposing Law to Limit Power of Cities in Inspecting Food Products; Co. Levy Favored.

Monmouth, Or., May 24.—The state grange has indorsed the resolution proposing a law limiting the power of cities in inspecting food products. The resolution favoring payment of damages made by new roads was carried.

The proposed law standardizing fences to four wires, concerning mostly the farming districts of eastern Oregon, is favored by the grange. A resolution was also passed favoring county court levy of taxes for road purposes.

The committee on taxation reported unfavorably on the proposed \$1500 tax exemption law, and the present exemption law. A resolution expressing will of the assembly against such law was unanimously carried.

The grange adopted a resolution providing for a proposed law prohibiting corporations protecting themselves at expense of the state in self-protection by use of firearms. It was recommended that the state be given power to give necessary protection.

Proposal of a law to discharge county educational supervisors, was given unfavorable report by the committee and failed to pass.

In strong language the proposed eight hour law was condemned by a

resolution ending: "Resolved, by state grange of Oregon that we are unalterably opposed to such drastic measure, or any eight hour law or any interference with personal privilege or agreement, and will use every effort in our power to defeat it."

The recommendation for the abolishment of the state senate was adopted in resolution form.

## A Conference

In this day and age, nothing is so beneficial in business as getting together.

We are something more than bankers—something more than a safe place to store your money—something more than a passbook, check and vault.

We are a very human lot of individuals and it is a matter of pride with us that aside from the responsibility we have developed in our business—we have always cultivated the friendship of those whom we serve.

Come in—we invite a conference.
